Meet PromoCell and Tecan at the Mini Exhibition at Merck Seminar Room A32/404

29th of June 2017, 10:00 am – 3:00 pm

PromoCell is a premier manufacturer of cell culture products. We are known in particular for our broad range of human primary cells, stem cells and blood cells, optimized cell culture media, and comprehensive line of cell biology research products. Under the brand of **PromoKine** we offer a wide range of products for cell analysis, apoptosis research, cell transfection, fluorescent labeling, mycoplasma detection and elimination, antibodies, ELISAs, cytokines and growth factors.

Tecan is a leading global provider of laboratory instruments and solutions in biopharmaceuticals, forensics and clinical diagnostics. The company specializes in the development, production and distribution of automated workflow solutions for laboratories in the life sciences sector. Its clients include pharmaceutical and biotechnology companies, university research departments, forensic and diagnostic laboratories.

→ Further details to our Cancer Research and Drug Screenings tools can be found on the following page.

Tools for Cancer Research and Drug Screening

Cell Culture & Cell Biology

- Human Primary, Blood and Stem Cells (e.g. Macrophages)
- Cell Culture Media (e.g. Cancer Stem Cell Media)
- Cell-based Assays: Viability/Proliferation, Cytotoxicity, Apoptosis/Necrosis, Senescence & Cell Cycle Analysis
- Cell Stress, Aging & Metabolism Assays
- 3D Models: Angiogenesis, Cell Migration/Chemotaxis, Cell Invasion
- Cell Transfection Reagents
- Cytokines & Growth Factors
- Antibodies & ELISAs

Instrumentation/Automation

Tecan instruments for better results with cells

- Fluent: Automate your cell based processes for higher reproducibility.
- Spark: Optimize your read out of cell based assays.
- D300e: Streamline your dose response curve set up and replace serial dilutions by direct dispensing.

Custom Solutions and Laboratory Training Courses

- Make-to-order cell culture media and human primary cells
- Expert advice in on-site training courses and individual seminars at the customers and in or own PromoCell Academy (www.promocell-academy.com)
